
THE NYERI NATIONAL POLYTECHNIC
INFORMATION SECURITY POLICY
NNP/ISMS/MRIS/01B

ISMS POLICY

The Nyeri National Polytechnic (NNP) is committed to provide Information Security in Training, provision of services, promotion of Technology and in satisfying applicable requirements, to ensure Confidentiality, Integrity and Availability of information and for NNP business continuity.

NNP is committed to ISO/IEC 27001:2013 certification through co-operation, motivation and effective collaboration with relevant interested parties to ensure Information Security requirements are implemented and continually improved for its effectiveness.

Information Security objectives have been set to support this policy, and the changing context of NNP. Top Management shall continually review the Information Security Objectives and this Policy for continuing suitability
