

BACKGROUND INFORMATION

The Nyeri National Polytechnic (Former Nyeri Technical Training Institute) is a public National Training Institution under the Ministry of Education. It is mandated to offer a variety of courses at Degree level in collaboration with Technical Universities, Higher Diploma, Diploma, Craft and Artisan levels as well as units of competency (short courses) as per the needs of the Industry. It is a mixed day and boarding institution.

LOCATION

The Nyeri National Polytechnic is located in Nyeri County, within Nyeri Municipality sub-county along Mumbi Road. It is about 1km from Nyeri town CBD.

The Polytechnic enjoys the cool climatic conditions experienced in Central Kenya throughout the year. It hence offers a wonderful and very conducive learning environment. You cannot afford to miss a learning opportunity in this rare kind of an institution.
