The Nyeri National Polytechnic (NNP) wishes to announce the **May 2023 intake** courses. The Polytechnic is established under the Legal Notice No. 91 of 2016 which gives it the mandate to independently design, develop and examine curricula, and grant academic awards. These courses are accredited by Kenya National Qualification Authority (KNQA) at Levels 5 & 6 which is equivalent to Certificate and Diploma respectively. The NNP CBET courses are Competency Based which aims at equipping trainees with skills required in the industry.

Further, the Polytechnic offers courses in various modes including regular/fulltime and open distance and e-learning (ODEL).

In addition, the Polytechnic has established a modern dairy plant that provides training opportunities in Dairy Processing and Farm Management.

Applicants are hereby invited for the limited opportunities in the courses here-in:

NB:

- All successful applicants will be assisted to apply for HELB loan.
- FREE WI-FI for all trainees
- Driving school: Driving School Instructor's Training, PSV Drivers Training, Motorcycle Driving, Car Driving, Endorsement of Truck Driving at affordable rates
- Customized competencies and skills are also offered in various fields on a need basis (i.e. courses for Skills improvement)
- Part-time courses are also available (Evening from 5pm during week days) and on Saturdays

Qualified Applicants should apply by filling an application form and attach copies of KCPE and KCSE certificate/Result slips, National Identity card, Birth and Leaving Certificates or apply through **KUCCPS Portal**.
