THE NYERI NATIONAL
POLYTECHNIC

The Nyeri National Polytechnic (NNP) is a public national tertiary institution under the Ministry of Education that is anchored on the Technical and Vocational Education and Training Act (TVET) No. 29 of 2013. It was established under the Legal Notice No. 91 of 2016. Among other mandates, this Legal Notice gives the Polytechnic powers to grant higher diplomas; diplomas; certificates and/or other academic qualifications. The Legal Notice mandates the Polytechnic to independently design, develop and examine curricula, and grant academic awards as authorized by the academic policy of the Polytechnic.

The Polytechnic is accredited by Technical and Vocational Education and Training Authority (TVETA), and continuously aligns itself to the Kenya National Qualification Authority (KNQA) Regulations, Standards and Guidelines.

The Polytechnic has embraced Competency Based Education and Training (CBET) which aims at equipping trainees with competencies that are market driven. In collaboration with TVET Curriculum Development Assessment and Certification Council (CDACC), the trainers in the polytechnic have been trained and adequately equipped to undertake implementation of NNP CBET curricula.

In pursuit of this undertaking, the Polytechnic wishes to invite applicants in the following courses:
