The NNP may consider the alternative payment schedule offered by the selected tenderer.

2.27.2 Any effort by a tenderer to influence the NNP in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

2.28 Award of Contract

(a) Post-qualification

2.28.1 In the absence of pre-qualification, the NNP will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.28.2 The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.12.3 as well as such other information as the NNP deems necessary and appropriate.

2.28.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the NNP will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

2.28.4 The NNP will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

- 2.29.1 Prior to the expiration of the period of tender validity, the NNP will notify the successful tenderer in writing that its tender has been accepted.

- 2.29.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.28, the NNP will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.14

2.30 Signing of Contract

- 2.30.1 At the same time as the NNP notifies the successful tenderer that its tender has been accepted, the NNP will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.
- 2.30.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.32.2 The NNP will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.32.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.
